# Have you heard the news?

With amazing new holidays added to our collection for winter 2025/26, there's more to get excited about than ever before. Whether you're dreaming of a week in the sun, an epic adventure around the world or a scenic search for the Northern Lights, there's a holiday that's perfect for you. Here are a few headlines to spark inspiration for your next trip.

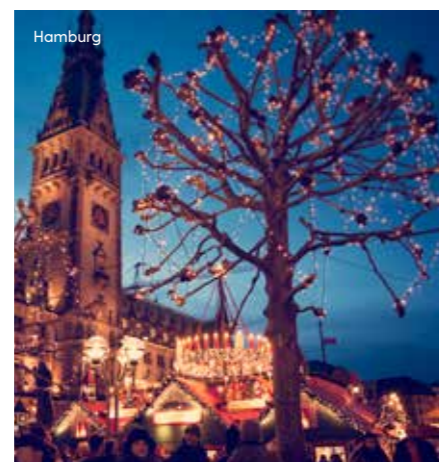

## Extra, extra! More extended calls!

Have you ever wandered through the illuminated streets of the medieval city Mdina by night? Fancy gazing up at the twinkling evening sky above Barcelona? Overnight and evening calls give you the chance to experience even more of the activities and culture in a destination, whether you want to soak up city views at sunset or sample the local nightlife. For winter 2025/26, we've added even more extended stays so you can see how things change when the sun goes down.

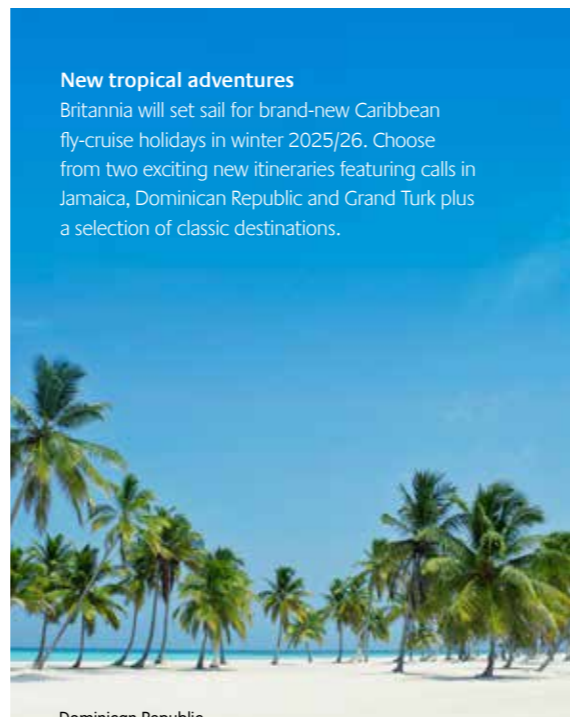

## Gift yourself an unforgettable Christmas

Are you in the market for a magical Christmas? In December 2025, Arcadia is heading off for a special Christmas markets cruise featuring four overnight calls in enchanting destinations: Hamburg, Copenhagen, Oslo and Amsterdam. What better way to enjoy the most wonderful time of the year?

## New tropical adventures

Britannia will set sail for brand-new Caribbean fly-cruise holidays in winter 2025/26. Choose from two exciting new itineraries featuring calls in Jamaica, Dominican Republic and Grand Turk plus a selection of classic destinations.

## Light up your December

In December 2025, Aurora will embark on an extended Northern Lights cruise. Join this 14-night adventure and, as you hunt for the natural phenomenon where the sky dances in mesmerising swirls of colour, you'll also visit medieval towns backdropped by awe-inspiring landscapes.

## See more of South America

What could possibly make a P&O Cruises holiday even better? Making it longer! Aurora will embark on a 75-night Grand Tour around South America in January 2026, adding 10 extra nights to this exploration of the colourful continent. There'll be more to discover along the way, including added destinations such as buzzing São Paulo (from Santos) – our first visit there in 10 years!

## 100 nights of epic

Picture yourself setting sail from Southampton for a once-in-a-lifetime adventure. In January 2026 (for the first time in nine years) Arcadia will embark on a 100-night Eastern Circumnavigation World Cruise with highlights including Dubai, Singapore, Adelaide, Melbourne, Sydney, Auckland, San Francisco and Los Angeles. Visiting a total of 28 destinations, this epic journey takes in exotic islands, hyper-modern metropolises, historic cities and some of the world's most spectacular coastlines.

## We're back in town

Absence makes the heart grow fonder, so in winter 2025/26, we'll return to 12 ports for the first time in five or more years. These include cosmopolitan cities such as Los Angeles and Melbourne, tropical spots like Bali, and places surrounded by awe-inspiring nature including Bodø in Norway and Dunedin, New Zealand.

# Time Out

## Take your holiday further with Time Out

From obscure hidden spots to the most impressive monuments in the area, Time Out can lead you there. That's why we're so excited to partner with Time Out to create a series that'll see its editors and savvy locals showcasing the best things to do in our destinations. Keep an eye out for inspirational videos, written guides and more to help you take your holiday further.

## Showstopping views

In 2023, we began an exciting multi-year partnership as the headline sponsor of the BAFTA Television Awards. While we may be a tad biased, we think this partnership is a match made in heaven because BAFTA and P&O Cruises both know a thing or two about showstopping views. Be sure to keep an eye on our social media for updates as we'll be giving away tickets for the 2024 ceremony – your chance to join us for a unique red carpet experience!

# Your next adventure awaits...

## You'll enjoy exceptional value for your money

With sensational round-the-clock entertainment, mouth-watering menus, relaxing pools, breathtaking scenery and the chance to visit a diverse range of places all included in your holiday price... a P&O Cruises holiday has everything you're looking for.

## You'll discover a holiday as varied as you

Whether it's adventure hiking in Madeira, snorkeling in turquoise Caribbean waters, sightseeing in Sydney or taking your taste buds on the ultimate food journey... we've a holiday for you.

## You'll get off the beaten track

As we work with local experts to offer a huge range of shore experiences, you can get to the heart of each place – looking past the typical tourist trail to find authentic adventures.

## You'll get more time in your wish-list destinations

On our holidays, you get a full day in almost every destination. And with evening and overnight calls on selected holidays, you've the chance to soak up the local nightlife and, in some cases, there's an extra day to explore in more depth.

With so much to see, do, taste and experience, your ship is like an extra destination (or three!) on your holiday itinerary.

You can get active in the gym or a wellness class. Broaden your mind at the art gallery or a seminar. Catch a blockbuster at the cinema or on your in-cabin TV. Maybe you'll soak up a stage show or a live comedy set. Cut a rug to the tunes of a live band or a silent disco. Savour delicious food in a casual café or elegant restaurant... Whatever you fancy, you'll find it all waiting on board.

## Relax in a world of wellness

To place time on pause, discover Oasis Spa, a quiet escape on board all our ships where you can enjoy some well-deserved me time. You might soothe tired muscles, fine-tune your skin with an ELEMIS facial, or tune-up with an acupuncture, medi-spa or fitness session.

Take a look at page 32 to see which Oasis Spa facilities are available on your ship.

## Take your holiday to new heights (or 'depths'!)

Make your way to Arvia's top deck activity zone, Altitude, to discover the thrill of Skywalk, our first-ever high ropes adventure at sea. If you'd prefer to stay grounded, why not tee off at the tropical island-themed minigolf course or join a football or basketball game in the Sports Arena? Or you might dive into an immersive submarine simulation experience at Mission Control on Gala Deck, using digital consoles to solve mysteries and puzzles.

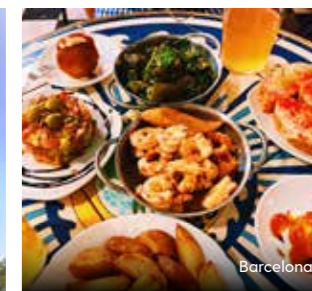

## Wake up to fresh adventures every day

Are you an explorer or an art lover? An adrenaline junkie or a foodie? On a P&O Cruises holiday, if you choose to, you can be someone different every day.

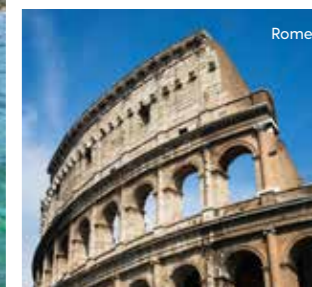

Get to the heart of each destination with shore experiences curated by us in collaboration with local experts for an amazing, hassle-free time. You'll pay in pounds, and you can rest assured that you'll never miss your ship. Shore experiences are bookable up until three days before your holiday at [my.pocruises.com](http://my.pocruises.com), as well as on board. We recommend booking in advance so you don't miss out on popular experiences.

Your ship has its own unique Freedom and Club restaurants where you can try flavours from around the world, as well as favourites from home. A varied choice for breakfast, lunch, snacks and dinner is included in the price of your holiday. And at least once on every holiday, you'll enjoy a Celebration Night. These elegant occasions feature a delectable five-course dinner menu personally devised by P&O Cruises Food Hero, Marco Pierre White.

Visit [pocruises.com/dining](https://pocruises.com/dining)

### Varied menus are our speciality

If there's an occasion to celebrate or if you're simply a foodie who loves to try everything, each ship offers a different selection of speciality restaurants. With diverse menus to sample – some created by our Food Heroes – you can treat yourself to an extra special dining experience with cover charges or dishes priced individually.

The Epicurean is a fleet favourite with its grand style, flawless service and classic dishes inspired by British ingredients. To spice up your holiday, head to Sindhu and savour contemporary Indian food or, for informal bites paired with wines selected by Olly Smith, try The Glass House. In the mood for a hearty meal or a juicy steak? Try The Keel & Cow gastropub or The Beach House, with its menus inspired by South American, Caribbean and Stateside cuisines. Or take your tastebuds on an adventure at Green & Co feat. Mizuhana where you can tuck into delicious plant-based dishes and fresh sushi.

Turn to page 32 to see which restaurants you'll find on each ship.

Soak up the all-American vibes of 6th Street Diner on board Arvia, complete with a jukebox, sparkling sea views, and tasty treats like fried chicken and waffles with butter and maple syrup, cajun-friend jumbo shrimp and more.

### The Olive Grove

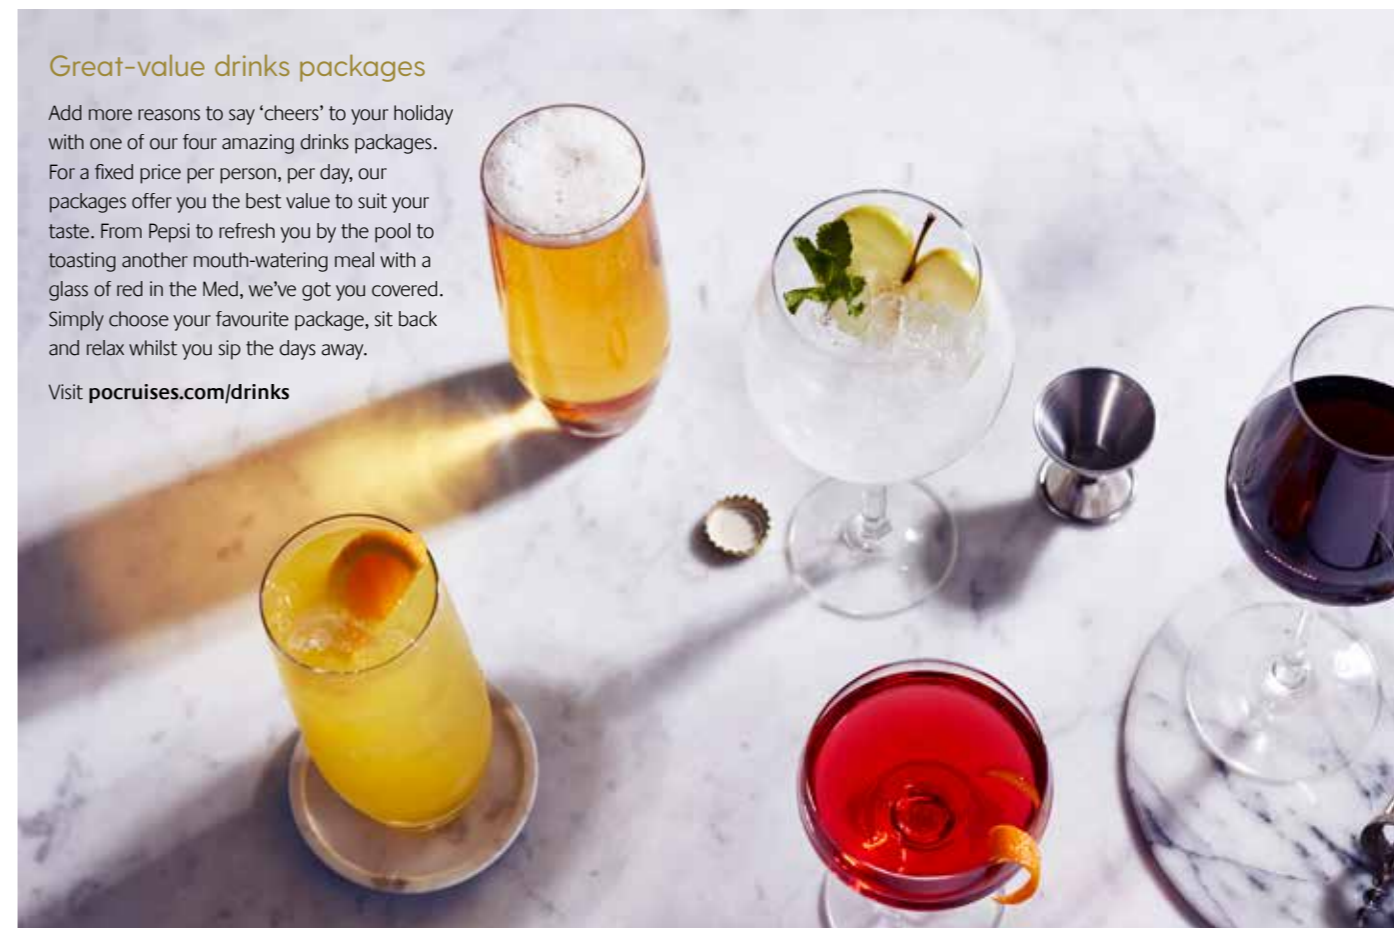

Take a taste tour of the southern and eastern Mediterranean, offering authentic dishes and sharing platters with regional wines. The Olive Grove menus are included with your holiday on Arvia, and supplements apply to selected dishes on Iona.

Restaurants and menus vary by ship. These pages provide a highlight of what's in store, but some options won't be available on every cruise. Additional prices may apply to some items featured.

### Great-value drinks packages

Add more reasons to say 'cheers' to your holiday with one of our four amazing drinks packages. For a fixed price per person, per day, our packages offer you the best value to suit your taste. From Pepsi to refresh you by the pool to toasting another mouth-watering meal with a glass of red in the Med, we've got you covered. Simply choose your favourite package, sit back and relax whilst you sip the days away.

### P&O Cruises Food Heroes

We work with the brightest lights of the culinary scene, our Food Heroes, to bring you innovative menus and exclusive foodie experiences across our fleet of ships. Their unique characters and expertise shine through in the dishes they create for us. Marco Pierre White sprinkles his magic over the fleet with his exceptional five-course Celebration Night menus on all ships, in Ocean Grill on Arcadia and in The Cookery Club on Britannia. Wine expert Olly Smith brings a collection of handpicked wines to taste in The Glass House, matching them with delicious food. And our Local Food Heroes José Pizarro, Kjørtan Skjelde and Shivi Ramoutar showcase incredible food experiences on selected Arvia and Iona holidays.

You can even get up close to our Food Heroes and discover their tips and tricks, hear tales from their glittering careers, and enjoy exceptional food and wine in their company at our range of once-in-a-lifetime Food Heroes experiences.

### Get into the holiday spirit

If you're partial to a C&T, why not join a tasting masterclass? You can learn the secrets of distilling as you sip exceptional gins including our very own Marabelle Gin and other favourites from Salcombe Gin. And on Arvia or Iona, you can even make your own blend to take home.

Sail with Arvia and you could explore the world of fine rums, starting with Golden Tide, which is made exclusively for P&O Cruises in partnership with The Tidal Rum. Tasting classes are available, as well as blending experiences where you'll create your own rum.

Bottles of Marabelle Gin and Golden Tide are also available to buy from the shops on all our ships.

# Choose your ideal accommodation

One of the benefits of our Select Price holidays (see page 7) is that you can choose the exact location of your cabin, subject to availability – you'll find deck plans of each ship on pages 34-51. To help you make the right choice, here are some factors to consider...

- Prefer to be near your ship's entertainment venues or like a quieter spot?
- Planning on soaking up some rays? Then you'll probably like to be close to the pools and the sun decks.

# Set sail from Southampton

## Slip into holiday mode sooner

Whether you're travelling to the farthest reaches of the globe, or off somewhere a bit closer to home, there's always something extra special about watching the coastline disappear into the distance as you sail away to your holiday destination. Whether you're heading to the sun-kissed shores of Spain, Portugal and the Canary Islands or embarking on a search for the spectacular Northern Lights, the sense of adventure in that moment just can't be beaten.

As well as enjoying this magical feeling, there are even more great reasons to set sail from Southampton on one of our holidays...

## Start your holiday right away

The second you step on board your ship, your holiday's begun. You can be relaxing by the pool, watching a theatre show, treating yourself to nights of fine dining or sipping cocktails on deck as your ship takes you to your destination. With the ease of sailing from Southampton, you'll be slipping into holiday mode in no time.

## No need to fly

Flying not for you? Setting off from Southampton gives you the chance to see your dream destinations on a leisurely sailing. And as you can enjoy your ship during your time at sea, you also get to holiday while you travel.

## Take as much luggage as you like

Want to bring your own pillow? Or travel with 20 pairs of shoes? No judgement here! Although no item of individual luggage should weigh more than 23kg, you have the freedom to bring along as many bags as you like within this limit.

What's more, you can relax knowing your bags are all taken care of as soon as you arrive at the terminal. They'll all be whisked to your cabin so that you can start your holiday hassle-free.

### Flights and transfers

Flights on day of embarkation/disembarkation are included in the holiday price. The inclusive UK airport varies by cruise and date of booking, and prices may vary for other departure airports. All flights are subject to availability.

Coach transfers between the overseas airport and the port on day of embarkation/disembarkation are also included in the price.

Where flight times require an overnight stay in the port of embarkation/disembarkation, we will provide hotel accommodation.

We can help you upgrade your flight or extend your holiday; just call us to talk through your plans. If you want to arrange your own flights, a Cruise Only option is available. See [pocruises.com/essential-information](https://pocruises.com/essential-information) for more flight information.

### 28 ports - 2 full days in Singapore, Sydney, Honolulu and San Francisco
